

WEDNESDAY & SATURDAY SELECTORS

NOMINATIONS ARE NOW BEING SOUGHT FOR:

1. **Selectors for the Wednesday Men's Pennant competition (4 required).**
2. **Selectors for the Saturday Open Gender Pennant competition (5 required).**

Please consider this an invitation to nominate for these positions.

The appointment for the position of Chair will be made by the Men's Committee following the appointment of the selectors for both pennant days.

These appointments are a matter of urgency to allow selectors time to plan and assist with the organising of the club trials in September.

Josh Chopin has accepted the position of coach for the Open Gender players and has agreed to be actively involved in selection of the top 2 O.G. sides.

The Men's Committee shall consider any nomination received by **5.00pm Friday, 4th July**, and hopes to announce the Selectors following the July Committee meeting.

Please forward any nomination to myself either by telephone, email or see me directly.

My contact number is **0498 859 614**. My email is ivan.lawton77@gmail.com

I am prepared to meet with any individual at the Clubhouse at a time of convenience should he/she wish to discuss their potential nomination.

Any nominee should communicate a preference for either the Wednesday or Saturday position and be prepared to state what he/she may bring to the role.
